1. RELATIONSHIP WITH THE PRINCIPAL TENDER DOCUMENT

Save where expressly amended by the terms of this Addendum, the Principal Tender Document shall continue to be in full force and effect. The provisions of this Addendum shall be deemed to have been incorporated in and shall be read as part of the Principal Tender Document.

2. CLARIFICATIONS HAVE BEEN SOUGHT AS FOLLOWS:

	QUESTION	ANSWER
1	We Seek Clarification Regarding The Quantities Indicated In The Price Schedule For The Following Items: Upgrade Of End-Of-Life (Eol) Check Point Security Management Appliance Is Indicated As 1,400 Users. Annual Check Point Harmony Email & Collaboration Security Suite Subscription Renewal For Microsoft 365 Is Indicated As 1 Each. Considering That The Security Management Appliance Would Ordinarily Be Supplied/Upgraded As An Appliance Or System, While The Harmony Email & Collaboration Security Suite Subscription Is Typically Licensed Based On The Number Of Protected Users/Mailboxes, The Indicated Quantities Appear Potentially Inconsistent. Kindly Confirm Whether The Quantities May Have Been Interchanged And Whether The Intended Quantities Are: Security Management Appliance: 1 Each; and Check Point Harmony Email & Collaboration Security Suite For Microsoft 365: 1,400 Users.	The tender requirement is amended to read: 1. Annual Check Point Harmony Email & Collaboration Security Suite Subscription Renewal for Office 365 (Exchange Online, OneDrive, SharePoint Online and Microsoft Teams) including OEM Support Services **(1,400 Users)** 2. Upgrade Of End Of Life (EOL) Check Point Security Management Appliance **(1)**

All the other terms and conditions remain as per the tender document.
